# Keeping you connected so you can enjoy more of the things you love

Now you can add this **mini UPS** to your Fibre deal.

### Mini UPS information

- Can be used on all Vodacom supplied Routers (Fibre and MBB) and has a USB connector to charge a cellphone
- The 13200mAh battery capacity is capable of providing backup power to a Router and mobile device for up to 12 hours

**ADD**  
**R39** PMx36 or  
**R59** PMx24  
and get a B600 mini UPS  
with your Fibre deals.

Router may vary

**For more information, speak to our friendly consultants in-store.**

Terms and conditions apply. Offers valid from 7 January - 7 February 2021. Additional Wi-Fi solutions may be required to enhance coverage throughout the home. Router may vary based on service provider. FUP applies. Battery duration may vary depending on the number of devices connected. For full terms and conditions visit: <https://myvodacom.secure.vodacom.co.za/vodacom/terms/fibre/fibre-mobile-deals>

## Our expanding partnerships leave you spoilt for choice

We have partnered with the leading Fibre network providers to bring you a wider selection of exciting Internet services to suit any need. Choose your preferred option based on your area and quickly connect your home.

## TERMS AND CONDITIONS

Terms and conditions apply to all Contract, Top Up, uChoose and Prepaid price plans and deals. Visit [vodacom.co.za](http://vodacom.co.za) for full terms and conditions or ask in store for a copy.

## ALL PRICE PLANS AND DEALS

Deals are valid from 7 January - 7 February 2021, while stocks last. E&OE (Errors and Omissions Excluded). All prices shown include VAT, unless otherwise stated. Standard RICA rules and processes apply. Vodacom reserves the right to alter or withdraw the deals advertised without notice. Handset options are dependent on the deal selected. OBF (out-of-box-failure replacement) will apply as per existing OBF rules. Promotions or offers advertised in this booklet are subject to change at the discretion of Vodacom and subject to their own terms and conditions. The Vodacom SIM may only be used for the purpose intended, use outside of what is considered reasonable for private, non-commercial use and in instances through mechanisms and means not intended for personal use or the anticipated purpose of the offer will be considered as abuse. Data usage, bundles and price plans apply to standard consumer APNs unless otherwise stated. New or upgrading contract, Top Up and uChoose customers will be subject to credit vetting prior to approval. All post-paid deals are subject to signing a 24-month Vodacom Contract and a once-off SIM and Connection fee of R204, unless otherwise stated. International calling and roaming usage is excluded from all-inclusive benefits, unless otherwise stated. Downward migrations and cancellations may attract penalty fees. All monthly allocations included as part of your price plan cannot be transferred.

## RICA

All SIM cards must be registered in terms of Regulation of Interception of Communications and Provision of Communication-Related Information Act, 2002 (Act 70 of 2002) (RICA) before activation. You are required to present the following documentation: (i) Your ID book or passport; (ii) proof of residence (not older than three months), e.g., municipal rates and taxes invoice, telephone or cellphone account or any other utility bill or retail account. If you live in an informal settlement, provide a letter from the local school, church or retail store where you currently receive your post.

## PREPAID

Subject to RICA and in-store activation of a Prepaid Starter Pack. Dial \*135 and select 'Balances' to check your balance. Dial \*135 and select 'Talking Points' to exchange your Talking Points for great rewards. To earn Talking Points just recharge and you'll earn one point for every R10 recharged. Talking points can be redeemed for Data, SMSs, MMS rewards (and selected devices, if you have accumulated sufficient points). Points are accumulated for 18 months. You need to exchange them during this time or they will expire. Your Talking Points are retained if you move from one Prepaid price plan to another. You will forfeit all accumulated points when converting to a Contract or Top Up price plan. The first SIM inserted in the device on activation of the device will qualify for the promotional benefit. The Lay-by agreement is subject to the standard terms and conditions published by Vodacom from time to time and can be found at [vodacom.co.za](http://vodacom.co.za)

## DATA

Customers will be charged for the volume of Data sent and received, not the time spent connected, unless otherwise stipulated. Transfer speed is not guaranteed and is dependent on network availability and device capability. A compatible device is required to use the LTE, 3G and HSDPA services. Prepaid, Top Up and uChoose customers should ensure that the balance in their Airtime account is sufficient for any downloads or other activity. Customers will not be refunded if they attempt to download any items and they run out of funds during this download, causing the session to be terminated. Data Bundles: All Once-off Data bundles will have a validity up until 23:59 of the 30th day from and including the day of purchase. Monthly recurring Data bundles (unless otherwise specified) are available for use for up to 60 days, or until the end of the next calendar month. Once customers have used up their Data bundles, or they have expired, the out-of-bundle rate per MB will be applied respective of their price plan. See your applicable price plans terms and conditions for your out of bundle rate per MB. Data bundles only apply to national Data usage; no roaming Data usage will be deducted from available Data bundles. Night Owl Data: Night Owl Data bundles are available for use between midnight to 05h00. Prepaid and Hybrid can purchase Night Owl data bundles while customers on Post-paid who purchase recurring data bundles receive a Night Owl allocation as part of their bundle. Please also note that 24 month data contracts receive a monthly Night Owl bundle allocation in their contract. Data sharing SIMs (DSS): A once-off SIM and connection fee is charged for each Data-sharing SIM (DSS), as well as a monthly subscription fee for the service. Customers on Vodacom's Red/Red+ Price Plans are not charged these fees for the first two Data-sharing SIMs while they remain on a Red/Red+ Plan. Data will be consumed using the LIFO (Last-In-First-Out) principle. The last bundle purchased or activated will be the first bundle consumed. All other available bundles will then be consumed in chronological order. Monthly recurring Data bundles on Contract uChoose or Top Up will be pro-rated (Data allocation and cost) in the month of purchase and the full allocation will only take place on the first of the next calendar month. Monthly recurring Data bundles on Prepaid will have the full allocation (Data and cost) applied on the day of purchase and recurring allocations will take place every 30 days from and including the date of purchase. Once-off bundles will have the full Data allocation and associated cost applied at the time of purchase. Wi-Fi bundles can only be used in an AlwaysOn or G-Connect Wi-Fi hotspot. Customers will need a Wi-Fi capable device as well as a Vodacom single sign-on username and password in order to connect. This can be obtained by registering on <http://www.vodacom.co.za> Wi-Fi bundles can also be used on certain Mango national flights; bundles must be purchased before boarding the plane.

## SMS/MMS

SMS/MMS is charged for in accordance with the customer's prevailing price plan. SMS/MMS bundles are available for use for 30 days from date of purchase/allocation, and may be used only for sending SMS and MMS messages to any SA network. International destinations, roaming SMS/MMS services, premium services (SA and international) will be charged for according to the prevailing out-of-bundle rate for SMS/MMS on the customer's current price plan. SMS messages consist of 160 characters each, any characters in excess will be seen as a new message and billed/deducted accordingly.

## SMART & SMART X+ PRICE PLANS

Smart Price Plan calls are billed per second and deducted from either available anytime minutes, or billed at the applicable out of bundle voice rate. Anytime Minutes are available for calls to any SA network, anytime. Anytime Minutes may not be used for calls to international numbers, premium rated IVR services, premium short codes, and calls while roaming, these will be charged at the applicable rates on the Price Plan unless otherwise specified by the premium rated content provider. SMSs included in the price plan may only be used for SMSs to SA networks, SMSs sent to international numbers or premium rated content service providers will be charged at rates applicable to the customers' price plan, unless otherwise specified by the premium rated content provider. Data included as part of the price plan may only be used within the borders of SA and may not be used for data roaming. Out-of-bundle rates will be applied once customer has used the bundle (Minutes/SMSs/Data, where applicable), included in the price plan for any usage over and above the bundled amount. Anytime Minutes/SMSs/Data (MB) included in the price plan will be available for use for a maximum of one month after the month they were allocated.

## FAMILY COVER

The Vodacom Cover for You and Your Family Product is only eligible for SA citizens between the ages of 18-60 years. This product is underwritten by Vodacom Life Assurance Company (RF) Limited and administered by Frank Financial Services (Pty) Ltd, an authorised financial services provider. Terms and conditions apply.

## RED & RED+ PRICE PLANS

RED price plans have calls billed per second. Unlimited and Anytime Minutes are available for calls to SA networks, anytime and may not be used for calls to international destinations, premium rated IVR services, and premium rated DICONs, roaming call services, short codes, video IVR, Travel Talk service, conference calling or VOIP calls. Anytime Minutes and Data, included in the RED Price Plans will be available for use for a maximum of one month after the month they were allocated. Unlimited SMSs may not be used for SMSs to international destinations, premium rated services, short codes or roaming SMSs. Out-of-bundle rates applicable to the Price Plan will be applied once customer has used the bundle (Minutes/SMSs/Data, where applicable) included in the price plan. Additional Data Sharing SIMs added to RED price plans will be Data Only SIMs and will not be GSM voice capable. The unlimited voice and SMSs offer on selected RED price plan(s) may not be used for commercial purposes and are subject to a Fair Usage Policy. Any use of this offer outside of what is considered reasonable for private, non-commercial use and in instances through mechanisms and means not intended for personal use or the anticipated purpose of the offer will be considered as abuse. Data included as part of the price plan may only be used within the borders of SA and may not be used for data roaming. Calls made to international numbers or premium rated numbers will be charged at the applicable rates on the Price Plan unless otherwise specified by the premium rated content provider. SMSs sent to international numbers or premium rated content service providers will be charged at rates applicable to the customers' price plan, unless otherwise specified by the premium rated content provider.

## uCHOOSE FLEXI, uCHOOSE SMART and SMART TOP UP+ PRICE PLANS

uChoose Flexi, uChoose Smart and Smart Top Up+ plans have calls billed per second. Anytime Minutes are available for calls to any SA network, anytime. Anytime Minutes may not be used for calls to international numbers, premium rated IVR services, short codes, and calls while roaming. These will be charged at the applicable rates prevailing on the price plan. SMSs included in the price plan may only be used for SMSs to SA networks. Other SMSs will be charged at rates applicable to the customer's price plan. Out-of-bundle rates applicable to the price plan will be applied once customer has used the bundle (Minutes/SMSs/Data, where applicable) included in the price plan. Anytime Minutes/SMSs/Data included in a uChoose Smart price plan will be available for use for a maximum of one month after the month they were allocated. Monthly subscription Airtime allocated on the uChoose Flexi price plans cannot be used for the purchase of premium rated content, Monthly VAS services or Airtime Transfer. Monthly subscription airtime allocated as part of uChoose Flexi Plans will carry over up to a maximum of two months allocation. uChoose customers have access to certain Prepaid VAS offers and services, which Vodacom reserves the right to discontinue. Data included as part of the price plan may only be used within the borders of SA and may not be used for data roaming.

## SIM ONLY

SIM Only plans have calls billed per second. Anytime Minutes are available for calls to any SA network, anytime. Anytime Minutes may not be used for calls to international numbers, premium rated IVR services, short codes, and calls while roaming. These will be charged at the applicable rates prevailing on the price plan. SMSs included in the price plan may only be used for SMSs to SA networks. Other SMSs will be charged at rates applicable to the customer's price plan. Out-of-bundle rates applicable to the price plan will be applied once customer has used the bundle (Minutes/SMSs/Data, where applicable) included in the price plan. Customers will forfeit any Minutes, SMSs or Data not used in the month of allocation. All other Terms and Conditions respective of the price plan type i.e. uChoose Flexi, uChoose Smart Top Up+, Smart Top Up Data, Smart, Smart+, RED, RED More Data, RED+ or Mobile Broadband; are applicable to SIM only price plans.

## INSURANCE

Please note that additional insurance terms and condition apply to all Vodacom device deals containing insurance products. Visit [www.vodacom.co.za/insurance](http://www.vodacom.co.za/insurance) for full insurance terms and conditions or contact 082 1952 should you have any insurance related queries. Some important points to note: \*In order for your insurance policy to remain active your Vodacom Contract subscription must always be up to date. If the listed SIM card is not in the insured device at the time of damage, loss or theft, the device will NOT be covered and your claim will be declined. Vodacom Device Insurance is underwritten by Vodacom Insurance Company (RF) Limited and administered by Finitre Administrators (Pty) Ltd, an authorised financial services provider

## CONTRACT COVER

Vodacom Contract Cover is optional and the monthly premium is R6.99. It covers the balance of your Vodacom Contract Subscription in the event of your death. This benefit will be paid to Vodacom (Pty) Ltd in order to fulfil your estate's contractual obligation to Vodacom (Pty) Ltd. To be eligible for cover under the policy you must be at least 18 years old and not older than 63 years of age. The cover will automatically end when you reach your 65th birthday or when the benefit is paid in the event of your death or on the date that your subscription contract ends with Vodacom (Pty) Ltd. Please note that when the cover under this policy ends it will not have a cash value. You can cancel the cover at any time by sending an SMS with the key words "CONCOVOFF" to 31050 or by calling 082 135. Visit [vodacom.co.za](http://vodacom.co.za) for full terms and conditions. Vodacom Contract Cover is underwritten by Vodacom Insurance Company (RF) Limited.

## LAY-BYE

All devices remain the property of Vodacom until full and final settlement has been received by Vodacom. Should you wish to cancel, this agreement prior to final settlement, the amounts paid by you and received by Vodacom will be refunded upon submission of positive identification. Upon receipt of final settlement, you may collect the device(s) from the store and provide valid identity documents (ID card or passport only). Proof of residence is needed for RICA if you purchase a SIM card and it is activated. Visit [vodacom.co.za](http://vodacom.co.za) for full terms and conditions.
